AMENDMENT TO HARNESS RACING NEW ZEALAND REGULATIONS

- DELETION OF "STALLION REGISTRATION" REGULATION

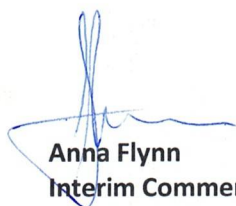

On 14 July 2026, the HRNZ Board considered and approved the deletion of the Stallion Registration Regulation, effective immediately.

Following review of the Regulations, it has become clear that the "Stallion Registration" Regulation is no longer required, as this content now falls within the Breeding Regulations.

- HORSE REGISTRATION AND NAMING REGULATIONS (SECOND SCHEDULE)

On 4 July 2026, the HRNZ Board considered and approved an amendment to the Horse Registration and Naming Regulations (Second Schedule) to correctly reflect the current fee for an *"Application to change name of a horse under regulation 9"* from \$110 to \$115.

This will align the regulation with the current schedule of fees listed on the HRNZ website.
