

## **Nominations for Glenys & Philip Kennard / Graphite Development Ltd Futurity Series**

September 2021

A pleasing total of 52 nominations have been received by the Met for the Glenys & Philip Kennard / Graphite Developments Ltd Futurity Series that commences on 24 September at Addington with total estimated stakes of \$70,000.

The well-patronised series caters for 3-year-old and older pacers assessed not faster than MR (Non-Winner) as of 1 July 2021.

Field selection for the final will be based on points earned in all totalisator races in New Zealand from 1 August 2021 to 2 November 2021.

It is proposed to run up to five races in the Series on:

- 24 September – \* Prelude – horses assessed up to R55
- 7 October – \* Prelude – horses assessed at MR
- 12 November – Futurity Series Final
- 26 November – \* Consolation – for all horses excluding those who were automatically qualified or did contest the series race on 12 November
- 10 December – \* Consolation – for all horses nominated for the Futurity Series excluding those who finished 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> in the Show Day Futurity race on 12 November

All series races will be run over 2600 metres from the mobile gate with a preferential barrier draw based on winning stakes (first place only).

\* subject to programming.

Full details and up to date points can be viewed on Addington's website at:
