Feature Race Nominations Now Open

August 2023

Addington Raceway is pleased to announce that the nominations for the IRT New Zealand Trotting Cup, Renwick Farms Dominion Trot and Graphite Developments Ltd / Glenys & Philip Kennard Show Day Futurity Pace are now open.

The two feature races are the biggest races at Addington Raceway for the year and part of the biggest week in harness racing in Australasia, with the lead up races highly anticipated by many harness racing enthusiasts. The Graphite Developments Ltd / Glenys & Philip Kennard Show Day Futurity Pace has continued to be a greatstepping-stone for those talented horses coming through the grades.

Australian horses are a key feature to have in any major race and to have some of their top horses come over and compete against the best from New Zealand does make for memorable harness racing. We are expecting interest from the connections of Australian horses for this year's IRT NZ Trotting Cup and Renwick Farms Dominion Trot.

Graphite Developments Ltd / Glenys & Philip Kennard Show Day Futurity Pace is for 4YO and older horses who are assessed at no faster than R50 as at 1 August 2023.

Nominations for all three races are due to close Thursday 7 September 2023.
