OFFICIAL NOTICE

AMENDMENT TO HARNESS RACING NEW ZEALAND REGULATIONS HORSE CARE REGULATIONS

On 10 November 2025, the HRNZ Board considered and approved an amendment to the Horse Care Regulations, effective 1 December 2025.

The amendment to the Horse Care Regulations is to formally align it with the associated rule 502 Enhanced Traceability, which was recently amended at the HRNZ AGM in October 2025 and came into force on 1 December 2025.

This amendment updates the notification period from 5 working days to 72 hours for the Accountable Person to notify HRNZ of a horse moving location.

Accordingly, clause 15.12 of the Horse Care Regulations will now read as follows (emphasis added):

15.12 Except where the Horse Movement Regulations apply, the Accountable Person must notify HRNZ within 72 hours of the horse moving location.

This amendment is effective from 1 December 2025.
