

2025 Next Gen Bonus Scheme

Terms and Conditions

1. Introduction

- 1.1 The Next Gen Bonus Scheme ("the Scheme") is an initiative launched by Harness Racing New Zealand (HRNZ) in collaboration with TAB NZ and NZB Standardbred.
- 1.2 The purpose of the Scheme is to incentivise and promote new ownership, support emerging trainers, and encourage investment in promising sires within New Zealand's harness racing industry.
- 1.3 The Scheme provides financial bonuses and rewards to eligible participants who meet specific criteria, ensuring a sustainable and competitive racing ecosystem.
- 1.4 These Terms and Conditions govern participation in the Scheme and outline eligibility requirements, bonus structures, administrative processes, and legal obligations. By participating in the Scheme, participants agree to comply with these Terms. There will be a new set of Terms & Conditions for each year naming the eligible stallions.
