

NEW ZEALAND
SIRES' STAKES

Congratulations on your purchase at the

National Yearling Sale

We hope all your dreams are realised with your new horse. To give you the best opportunity to realise these dreams it is important to ensure your horse remains eligible for everything it has been nominated for.

NZB Standardbred will take care of your Harness Million eligibility. However by either signing this form (below), or advising NZB Standardbred once the horse has been knocked down to you, the NZ Sires' Stakes Board can offer you the opportunity to fully pay up your yearling for NZ Sires' Stakes, plus, for the pacing fillies and the Nevele R / Caduceus Series.

At the bottom of the Sales Catalogue page it will show what your yearling has been nominated for; i.e. NZSS, Nevele R, Caduceus. The next sustaining payment is due for these yearlings on July 1st 2024 but you can save money by fully paying up now.

NZ Sires' Stakes Series 42 \$800.00 (GST inclusive)

Nevele R Fillies Series 48 \$500.00 (GST inclusive)

Caduceus Fillies Series 27 \$800.00 (GST inclusive)

By making this payment your horse will be eligible to contest both the two and three-year-old NZ Sires' Stakes Series with colts and geldings, fillies and trotters all having their own division. Trotting fillies also have two and three-year-old Classique's. The Board also has a suite of four-year-old and older conditioned races for both gaits and sexes. Pacing fillies, if nominated, have the time honoured Nevele R Fillies Series and the Caduceus Fillies Series, which going forward will have preludes in both Islands.

For further information please do not hesitate to contact Martin Pierson on:
