## **CIRCULAR NO 1509**

**TO: THE SECRETARY, ALL TOTALISATOR CLUBS AND KINDRED BODIES**

**FROM: EDWARD RENNELL, CHIEF EXECUTIVE**

**SUBJECT: BRIEFING NOTES – SUPPORT FOR RACE FIELDS LEGISLATION**

---

With the busy summer racing season upon us, there will no doubt be opportunities for your local MPs and Ministers to attend race meetings around the country.

The **attached** Briefing Note provides you and club committees with the information required to advocate and explain the importance of the work carried out by the Offshore Racing and Sports Betting Group, the report they produced to the Racing Minister in October this year and the positive financial uplift the recommendations in the report would provide to the racing industry and sports organisations in New Zealand – and will grow significantly beyond these estimates.

As you engage with your local MPs and/or Ministers, feel free to email me who you have spoken to and the reaction/feedback you have received.

If you have any questions please call or email.
