**Andrew Sibbald wins inaugural Dream Team Competition**

Christchurch storeman Andrew Sibbald is the very first 'Dream Team Competition' winner and he claimed his victory with a fantastic final flourish at the Harness Jewels last weekend.

HRNZ contacted Sibbald and he was understandably excited. "It was a great comp to be a part of. It kept your interest right through the two months. I'm ecstatic to win such a great prize. Roll on the next one."

"The actual win was a pleasant surprise. I wasn't that close (to the top of the leader board) but had six Jewels winners, which was fantastic and that made the difference. Hard to believe I didn't get a collect on the day."
