Nicky Chilcott court proceedings

Harness Racing New Zealand is concerned and disappointed by the court proceedings facing Trainer Ms Nicky Chilcott in relation to the importation of certain products.

HRNZ awaits the outcome of the court proceedings with interest and will then review the findings in conjunction with the Racing Integrity Unit.

Ms Chilcott's licence status may be reviewed at that time depending on the facts and outcome of the judicial proceedings.

HRNZ is confident the rigorous prohibited substance testing programmes and investigative systems the Racing Integrity Unit has in place will continue to ensure that a high level of integrity is maintained within the racing industry.

Edward Rennell
