2014/2015 LICENCE RENEWALS

LICENCE RENEWAL 2014/2015 SEASON

Licence renewal forms have been posted to all current licence holders and are due for payment by 30 June 2014. If you have not received your forms, please contact the undersigned ASAP.

All licence renewal forms must be signed by the licence holder and returned with full payment before any licence will be issued.

MEDICAL REPORTS

If you have been requested to supply a medical clearance and are unable to obtain a doctor's appointment until after the due date 30 June, it is acceptable to send in your licence renewal form and fee by the due date to avoid late payment penalties and further submit your medical form when completed. Horseman's licences will not be renewed until a completed medical form is received.

SULKY REGISTRATION & WOF (All sulkies currently display a red WOF tag)

All sulkies must be registered and warranted with a legible registration plate and a red WOF tag attached to the crossbar in order to be used at Workouts, Trials and Race meetings. New registration plates are available for \$11.50. Like a registered motor vehicle you cannot transfer a plate from another sulky.

A new WOF is required by 31 January 2015 and can be obtained anytime from the 1st of August 2014.

DRIVER SAFETY POLICY

Your attention is drawn to the Driver Safety Policy which is printed on the reverse side of your licence renewal form. The purpose of this policy, which all drivers agree to when accepting their licence, is to ensure drivers are aware of their personal responsibility to keep themselves safe.

A combined Harness Racing Diary and Licence Holders Directory will be printed for the 2014/15 season. The diaries will be printed and available as early as possible in the new season and to ensure that your details are published in the diary your application must be received at HRNZ by the 30 June deadline.
